

Single Phase 10kva Silent Diesel Generator 50Hz 60Hz Cummins Power

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Frequency: 50Hz/60Hz
- Starting System: Electric/Manual
- Voltage: 220V-440V
- Operation Time: Long
- Fuel: Diesel
- Cooling System: Air/Water
- Protection System: Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload
- Maintenance: Easy
- Highlight: **Electric Silent Diesel Generator, Cummins Silent Diesel Generator, single phase 10kva generator**

Product Description

Product Description:

Introducing Silent Type Diesel Generator, the latest in reliable and efficient power solutions. This open silent type diesel generator set is powered by diesel fuel and provides a voltage range of 220V to 440V. It is equipped with an advanced protection system that ensures voltage, frequency, temperature, oil pressure, and overload are monitored and maintained. It has a low fuel consumption rate, and its operation time is long-lasting, providing you with consistent and reliable power.

Silent Type Diesel Generator is the perfect choice for any application requiring an efficient and reliable power source. It is silent, requires little maintenance, and is extremely durable. With its superior protection system and low fuel consumption, Silent Type Diesel Generator is the perfect choice for your power needs.

Features:

Product Name: Silent Diesel Generator

Brand: Cummins Power Diesel Generator

Starting System: Electric/Manual

Control Panel: Automatic/Manual

Warranty: 1-2 Years

Maintenance: Easy

Noise Level: Low

Type: Silent Type Diesel Generator

Product: Diesel Generator Set

Technical Parameters:

Attributes	Details
Starting System	Electric/Manual
Type	Silent Diesel Generator
Fuel Consumption	Low
Voltage	220V-440V
Fuel	Diesel
Power	10kW-1000kW
Control Panel	Automatic/Manual
Noise Level	Low
Warranty	1-2 Years
Maintenance	Easy
Diesel Generator Set	Silent Type Diesel Generator
Cummins Power Diesel Generator	10kW-1000kW

Applications:

Minlong's Silent Type Diesel Generator Set is a reliable and cost-effective power solution for commercial and industrial applications. It is certified by ISO9001, and manufactured in China with high quality standards. It has a minimum order quantity of 1, and the price is negotiable. It is packed in a wood case and delivered within 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 1000 pieces per week. The fuel consumption of the Silent Type Diesel Generator is low, and the frequency is 50Hz/60Hz. It is equipped with Automatic/Manual control panel. The power range is from 10kW to 1000kW. The warranty is 1-2 years.

Support and Services:

Our Silent Diesel Generator is backed by a comprehensive technical support and service package. We provide a range of support services to ensure that your Silent Diesel Generator keeps running smoothly, including:

24/7 Technical Support Hotline

Regular Maintenance Services

On-site Repairs and Troubleshooting

Spare Parts Supply

Packing and Shipping:

Silent Diesel Generator Packaging and Shipping

The Silent Diesel Generator is carefully packaged and shipped to ensure that it arrives in perfect condition. The generator is packaged in a strong cardboard box with foam inserts to protect the unit from shock and vibration during transit. All external components are safely secured to the generator and the generator is then enclosed in a plastic bag to guard against moisture. The box is clearly labeled with the product name and other necessary information. It is then sealed with strong adhesive tape for added security. The box is then placed on a pallet and shrink-wrapped for further protection. The pallet is then securely strapped to the pallet to prevent movement during transit.

The Silent Diesel Generator is shipped via a reliable freight carrier. The freight carrier provides tracking information so customers can track their shipment from the time it leaves the warehouse until it arrives at its final destination.

FAQ:

Q&A about Silent Diesel Generator

Q: What is the brand name of this product?

A: The brand name of this product is Minlong.

Q: Where is this product made?

A: This product is made in China.

Q: What certification is this product certified with?

A: This product is certified with ISO9001.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1.

Q: What is the pricing?

A: The pricing is subject to negotiation.

Q: What is the packaging?

A: The packaging is wood case.

Q: How long is the delivery time?

A: The delivery time is 10-15 days.

Q: What payment terms are accepted?

A: The accepted payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram.

Q: What is the supply ability?

A: The supply ability is 1000 pieces per week.
