

Diesel Generac Trailer Mounted Generator 20-100KW 3 Phase Mobile Generator

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel Tank Capacity: 50-1000L
- Type: Mobile Diesel Generator
- Cooling System: Air/Water
- Rated Voltage: 220V/380V/400V/415V/440V
- Frequency: 50/60Hz
- Phase: Single/Three
- Power Output: 20-100KW
- Noise Level: Low
- Highlight: Diesel generac trailer mounted generator ,
100KW generac trailer mounted generator ,
3 Phase Mobile Generator

Product Description

Product Description:

The Mobile Diesel Generator is a perfect combination of a reliable Mobile Diesel Engine Unit and a Mobile Power Diesel Generator. It is designed for mobile applications and is capable of providing a stable output of 220V/380V/400V/415V/440V. With an intelligent control system, it can be operated both manually and automatically according to the user's needs. It is of lightweight design and the weight can be customized according to the user's requirements. Moreover, it is also highly efficient with low fuel consumption. As a result, the Mobile Diesel Generator Set is an ideal choice for mobile applications and can meet various needs.

Features:

Product Name: Mobile Diesel Generator

Type: Mobile Diesel Generator

Noise Level: Low

Phase: Single/Three

Rated Voltage: 220V/380V/400V/415V/440V

Control System: Automatic/Manual

Mobile Diesel Engine Unit: Yes

Mobile Diesel Power Unit: Yes

Mobile Diesel Generator Unit: Yes

Mobile Diesel Generator Set: Yes

Technical Parameters:

Attribute	Description
Type	Mobile Diesel Generator
Rated Voltage	220V/380V/400V/415V/440V
Start Mode	Electric/Manual
Frequency	50/60Hz
Control System	Automatic/Manual
Dimension	Customized
Warranty	1 Year
Fuel Type	Diesel
Power Output	20-100KW
Noise Level	Low

Applications:

Minlong Mobile Power Diesel Generator is the perfect choice for anyone who needs reliable and powerful mobile power. We have a wide range of models to choose from with features such as automatic/manual control system, low noise level, rated voltage of 220V/380V/400V/415V/440V, and frequency of 50/60Hz. This mobile generator is certified by ISO9001 and produced in China. The minimum order quantity is 1, with a flexible price for negotiation. The packaging details are wood case, and delivery time is 10-15 days. Payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. The supply ability of Minlong Mobile Power Diesel Generator is up to 1000 pieces per week, and it comes with a 1 year warranty.

Warranty: 1 Year

Minlong Mobile Diesel Generator offers unparalleled performance and convenience in a mobile diesel engine unit. It is equipped with a fuel-efficient diesel engine and an automatic or manual control system. The unit has a rated voltage of 220V/380V/400V/415V/440V and can be started by electric or manual. It is certified with ISO9001 and comes with a one year warranty. With its compact design, it is easy to move and transport. It requires minimal maintenance and is perfect for scheduled or emergency power needs.

Support and Services:

Technical Support and Service for Mobile Diesel Generator

We provide a comprehensive range of technical support and services for Mobile Diesel Generator. Our technical experts are on hand to ensure customers' equipment runs flawlessly. We offer services such as:

On-site diagnosis and repair

Telephone support

Remote diagnostics

Regular maintenance

Spare parts delivery

Warranty repair

We are always ready to help and provide customers with quality service. Contact us today for more information.

Packing and Shipping:

The Mobile Diesel Generator will be packaged in a secure container in order to ensure its safe delivery to its destination. The container will be made of strong corrugated cardboard and double-walled, with a lid securely sealed with strong adhesive tape. The container will be marked with the necessary shipping information, including the consignee's name and address, the weight and size of the package, the contents, and any hazardous materials information. All necessary documentation will be included in the package. The package will be shipped according to the consignee's preferred method.

FAQ:

Q: What is the brand name of the Mobile Diesel Generator ?

A: The brand name of the Mobile Diesel Generator is Minlong.

Q: Where is the Mobile Diesel Generator from ?

A: The Mobile Diesel Generator is from China.

Q: Does the Mobile Diesel Generator have a certification ?

A: The Mobile Diesel Generator has a ISO9001 certification.

Q: What is the minimum order quantity for the Mobile Diesel Generator ?

A: The minimum order quantity for the Mobile Diesel Generator is 1.

Q: How is the Mobile Diesel Generator packaged ?

A: The Mobile Diesel Generator is packaged in a wood case.
