

220V 480V Container Diesel Generator 10-1000kW EU Stage II EPA Tier 2

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel Type: Diesel
- Power Output: 10-1000kW
- Voltage: 220V-480V
- Noise Level: Low
- Structure: Container
- Frequency: 50/60Hz
- Emission Standard: EU Stage II/EPA Tier 2
- Protection System: Overload/Low Oil Pressure
- Highlight: **220V Container Diesel Generator, 480V Container Diesel Generator**

Product Description

Product Description:

The Container Diesel Generator is a powerful and reliable cargo-container diesel generator designed to meet your power requirements. It is equipped with a diesel engine that provides robust performance with a frequency of 50/60Hz and a power output of 10-1000kW. It is designed to meet EU Stage II and EPA Tier 2 emission standards and comes with a 1-2 year warranty for your peace of mind. The Container Diesel Generator is housed inside a cargo-container to ensure that it is secure and weather-resistant. It is well-suited for a variety of applications and offers a cost-effective solution for your power needs. With the Container Diesel Generator, you can be sure of a reliable and efficient power supply for your business.

Features:

Product Name: Container Diesel Generator

Frequency: 50/60Hz

Voltage: 220V-480V

Noise Level: Low

Fuel Type: Diesel

Control Panel: Digital/Analog

Container-Mounted Diesel Generator

Low Noise Diesel Generator

Technical Parameters:

Property	Value
Fuel Type	Diesel
Structure	Container
Control Panel	Digital/Analog
Voltage	220V-480V
Operation Mode	Automatic/Manual
Fuel Consumption	Low
Frequency	50/60Hz
Noise Level	Low
Emission Standard	EU Stage II/EPA Tier 2
Starting System	Electric/Manual

Applications:

Minlong Container Diesel Generator is the ideal choice for customers who are looking for a reliable, cost-effective and energy efficient power solution. This Cargo-Container Diesel Generator is manufactured in China, and is certified with ISO9001 standards. It is available in one minimum order quantity, and the price is negotiable. The packaging comes in a wood case, and delivery time is estimated to be 10-15 days. The accepted payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. The supply ability is 1000 pieces per week, and power output ranges from 10-1000kW. This Container Diesel Generator also features a low noise level, and it can be operated automatically or manually. The low fuel consumption and 50/60Hz frequency make it a perfect choice for a variety of applications.

Customization:

Container-Housed Diesel Generator

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation
Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Voltage: 220V-480V
Cooling System: Air/Water
Structure: Container
Power Output: 10-1000kW
Protection System: Overload/Low Oil Pressure

Our Container-Housed Diesel Generator is designed to be highly reliable and reliable, and its container-mounted structure makes it easy to transport, install, and even use in harsh working environments. It is widely used in construction sites, industrial and mining sites, ports, docks, ships, villages, and other places where power is needed.

Support and Services:

We provide technical support and service for our Container Diesel Generator products. Our technical support team is available seven days a week to answer any questions you may have. We can provide maintenance and repairs on any of our generators, as well as installation and troubleshooting services. Our technicians are certified and experienced in all aspects of our products and they are available to answer your questions and provide assistance with any problem you may have. We also offer extended warranties on our products to ensure you are completely satisfied with your purchase.

Packing and Shipping:

The **Container Diesel Generator** will be packaged with the following materials and shipped safely to the destination:

Heavy-duty cardboard boxes
High-grade plastic bubble wrap
Thermal insulation material
Foam padding
Shipping labels

FAQ:

Q1: What is the Brand Name of the Container Diesel Generator?

A1: The Brand Name of the Container Diesel Generator is Minlong.

Q2: Where is the Place of Origin of the Container Diesel Generator?

A2: The Place of Origin of the Container Diesel Generator is China.

Q3: What is the Certification of the Container Diesel Generator?

A3: The Certification of the Container Diesel Generator is ISO9001.

Q4: What is the Minimum Order Quantity for the Container Diesel Generator?

A4: The Minimum Order Quantity for the Container Diesel Generator is 1.

Q5: What is the Packaging Details for the Container Diesel Generator?

A5: The Packaging Details for the Container Diesel Generator is Wood case.
