Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Cooling System: Air/Water
- Control System: Automatic/Manual
- Power Output: 20-100KW
- Frequency: 50/60Hz
- Type: Mobile Diesel Generator
- Dimension: Customized
- Certificate: CE/ISO/SGS
- Fuel Type: Diesel
- Highlight: **Fuel Mobile Diesel Generator, Mobile Diesel Generator Unit**

Product Description

Product Description:

Mobile Diesel Generator is the perfect solution for mobile power when the electricity is unreliable or unavailable. Our Mobile Diesel Generator provides a reliable power source with 20-100KW output power range, and is certified with CE/ISO/SGS. It also has a low noise level, with a frequency of 50/60Hz and single/three phase options for versatility.

The Mobile Diesel Generator is powered by a reliable Mobile Diesel Engine Unit, making it the perfect choice for emergency power, construction sites, outdoor events, and more. It is easy to use and maintain, and its reliable power source is a great choice for those who need mobile power. This Mobile Power Diesel Generator is a great choice for anyone looking for a reliable mobile power source.

Features:

Product Name: Mobile Diesel Generator

Type: Mobile Diesel Generator

Phase: Single/Three

Fuel Tank Capacity: 50-1000L

Weight: Customized

Control System: Automatic/Manual

Technical Parameters:

Parameter	Value
Power Output	20-100KW
Start Mode	Electric/Manual
Weight	Customized
Type	Mobile Diesel Generator
Cooling System	Air/Water
Dimension	Customized
Control System	Automatic/Manual
Frequency	50/60Hz
Noise Level	Low
Rated Voltage	220V/380V/400V/415V/440V

Applications:

Mobile Diesel Generator, manufactured by Minlong, is a reliable and powerful source of mobile power. It is certified by ISO9001, and a minimum order of 1 is required. The price is negotiable, and it is typically packaged in a wood case for delivery within 10-15 days.

Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Minlong has the capability to supply up to 1000 pieces per week. It has the option of manual or electric start, and automatic or manual control system. The weight and cooling system are customizable, and it is available in either single or three phase. This mobile power diesel generator is a great choice for portable and emergency power needs.

Customization:

We offer high quality Mobile Diesel Generator Unit, which is manufactured from the reliable brand Minlong (China). The product is ISO9001 certified and comes with a minimum order quantity of 1 piece. The packaging is done in wood cases for safe delivery. The delivery time is 10-15 days and payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. The supply ability is 1000 pieces per week. The control system is automatic/manual and the dimension is customized. The fuel tank capacity ranges from 50-1000L and the frequency is 50/60Hz.

This Mobile Diesel Generator Unit is perfect for all your power needs, whether it is for residential, commercial or industrial purposes. It is highly efficient in providing reliable and efficient power. It is also portable and efficient for easy transportation and installation. The product is designed to provide long-term durability and performance with minimal maintenance.

Support and Services:

Mobile Diesel Generator Technical Support and Service

We provide comprehensive technical support and service for mobile diesel generators. Our team of experienced engineers and technicians can help you find the right solution for your needs.

We provide installation and maintenance services, as well as troubleshooting support for any issues you may encounter. We also offer onsite training to ensure that you are able to use and maintain your generator properly.

Our customer service team is available to answer any questions you may have and to provide assistance when needed. We are committed to providing you with the best service possible.

Packing and Shipping:

Packaging and Shipping of Mobile Diesel Generator

The Mobile Diesel Generator is packaged with a custom-made, weather-resistant, heavy-duty plastic crate. It is designed to protect the generator from moisture and impact during transport. The crate also features a custom-made foam insert that is designed to protect and secure all of the components of the generator.

Once the generator is packaged, it is ready to be shipped. We use a reputable shipping company to ensure that the generator arrives safely and on time. The generator will be shipped via air or ground, depending on the destination and the customer's preference.

FAQ:

Q1: What is the brand name of the Mobile Diesel Generator?

A1: The brand name of the Mobile Diesel Generator is Minlong.

Q2: Where is the Mobile Diesel Generator made?

A2: The Mobile Diesel Generator is made in China.

Q3: Does the Mobile Diesel Generator have ISO9001 certification?

A3: Yes, the Mobile Diesel Generator has ISO9001 certification.

Q4: What is the minimum order quantity for the Mobile Diesel Generator?

A4: The minimum order quantity for the Mobile Diesel Generator is 1.

Q5: What payment terms are available for the Mobile Diesel Generator?

A5: Payment terms available for the Mobile Diesel Generator include L/C, D/A, D/P, T/T, Western Union, and MoneyGram.
